

Zilco VSE Points league.

Dressage phase:

All drivers drive the current indoor driving dressage test.

Cones phase:

All drivers drive the full cones course of 20 pairs of numbered and lettered cones in order.

Marathon/Obstacle phase:

All drivers start at the start gate, follow the arrowed route and drive a short distance to obstacle 1 (up to 500m) drive obstacle 1 which will be gated A-E, when they leave obstacle 1 follow the route and drive a short distance to obstacle 2 (between 300 – 500m), drive obstacle 2 which will be gated A-E, when they leave obstacle 2 they follow the route back to obstacle 1 which will now be obstacle 3 and drive the same loop again to obstacle 2 which will now be obstacle 4, once they have finished obstacle 4 they drive to the finish gate.

Although drivers will be given start times only the time inside the obstacles will be timed.

If drivers arrive at an obstacle and there is someone already in the obstacle simply follow the instructions given to you by the official at the gate and circle around until called forward, please keep your pony moving and do not just stop and wait (this is for horse welfare issues).
